

Competent Authority Agreement on the Exchange of Country-by-Country Reports

Whereas, the Isle of Man and the British Virgin Islands intend to increase international tax transparency and improve the access of tax authorities to information regarding the global allocation of the income, the taxes paid, and certain indicators of the location of economic activity among tax jurisdictions in which Multinational Enterprise (MNE) Groups operate through the automatic exchange of annual CbC Reports, with a view to assessing high-level transfer pricing risks and other base erosion and profit shifting related risks, as well as for economic and statistical analysis, where appropriate;

Whereas, the laws of their respective Jurisdictions require or are expected to require the Reporting Entity of an MNE Group to annually file a CbC Report;

Whereas, the CbC Report is intended to be part of a three-tiered structure, along with a global master file and a local file, which together represent a standardised approach to transfer pricing documentation which will provide tax administrations with relevant and reliable information to perform an efficient and robust transfer pricing risk assessment analysis;

Whereas, Paragraph 8 of the Agreement between the Government of the Isle of Man and the Government of the British Virgin Islands for the Exchange of Information relating to Tax Matters (the “TIEA”), authorises the automatic exchange of information, and allows the competent authorities of the Isle of Man and the British Virgin Islands (the “Competent Authorities”) to mutually agree on additional procedures for the purposes of that Paragraph;

Whereas, the Isle of Man and the British Virgin Islands have, or are expected to have, in place by the time the first exchange of CbC Reports takes place (i) appropriate safeguards to ensure that the information received pursuant to this Agreement remains confidential and is used for the purposes of assessing high-level transfer pricing risks and other base erosion and profit shifting related risks, as well as for economic and statistical analysis, where appropriate, in accordance with Section 5 of this Agreement, (ii) the infrastructure for an effective exchange relationship (including established processes for ensuring timely, accurate, and confidential information exchanges, effective and reliable communications, and capabilities to promptly resolve questions and concerns about exchanges or requests for exchanges and to administer the provisions of Section 4 of this Agreement) and (iii) the necessary legislation to require Reporting Entities to file the CbC Report;

Whereas, the Competent Authorities intend to conclude this Agreement on non-reciprocal automatic exchange pursuant to the TIEA and subject to the confidentiality and other protections provided for in the TIEA, including the provisions limiting the use of the information exchanged thereunder;

Now, therefore, the Competent Authorities have agreed as follows:

SECTION 2

Exchange of Information with Respect to MNE Groups

Pursuant to the provisions of Paragraph 8 of the TIEA, the Competent Authority of the British Virgin Islands will annually exchange with the Competent Authority of the Isle of Man on an automatic basis the CbC Report received from each Reporting Entity that is resident for tax purposes in the British Virgin Islands, provided that, on the basis of the information provided in the CbC Report, one or more Constituent Entities of the MNE Group of the Reporting Entity are resident for tax purposes in the Isle of Man or are subject to tax with respect to the business carried out through a permanent establishment situated in the Isle of Man.

SECTION 3

Time and Manner of Exchange of Information

1. For the purposes of the exchange of information in Section 2, the currency of the amounts contained in the CbC Report will be specified.
2. With respect to Section 2, a British Virgin Islands CbC Report is first to be exchanged with respect to fiscal years of MNE Groups commencing on or after 1 January 2016. Such CbC Report is to be exchanged as soon as possible and no later than 18 months after the last day of the fiscal year of the MNE Group to which the CbC Report relates. CbC Reports with respect to subsequent fiscal years are to be exchanged as soon as possible and no later than 15 months after the last day of the fiscal year of the MNE Group to which the CbC Report relates.
3. The Competent Authorities will automatically exchange the CbC Reports through a common schema in Extensible Markup Language.
4. The Competent Authorities will work towards and agree on one or more methods for electronic data transmission including encryption standards.

SECTION 4
Collaboration on Compliance and Enforcement

The Competent Authority of the Isle of Man will notify the Competent Authority of the British Virgin Islands when it has reason to believe, with respect to a Reporting Entity that is resident for tax purposes in the British Virgin Islands, that an error may have led to incorrect or incomplete information reporting or that there is noncompliance of a Reporting Entity with the respect to its obligation to file a CbC Report. The Competent Authority of the British Virgin Islands will take all appropriate measures available under its domestic law to address the errors or non-compliance described in the notice.

SECTION 5
Confidentiality, Data Safeguards and Appropriate Use

1. All information exchanged is subject to the confidentiality rules and other safeguards provided for in the TIEA, including the provisions limiting the use of the information exchanged.

2. In addition to the restrictions in paragraph 1, the use of the information will be further limited to the permissible uses described in this paragraph. In particular, information received by means of the CbC Report will be used for assessing high-level transfer pricing, base erosion and profit shifting related risks, and, where appropriate, for economic and statistical analysis. The information will not be used as a substitute for a detailed transfer pricing analysis of individual transactions and prices based on a full functional analysis and a full comparability analysis. It is acknowledged that information in the CbC Report on its own does not constitute conclusive evidence that transfer prices are or are not appropriate and, consequently, transfer pricing adjustments will not be based on the CbC Report. Inappropriate adjustments in contravention of this paragraph made by local tax administrations will be conceded in any competent authority proceedings.

Notwithstanding the above, there is no prohibition on using the CbC Report data as a basis for making further enquiries into the MNE's transfer pricing arrangements or into other tax matters in the course of a tax audit and, as a result, appropriate adjustments to the taxable income of a Constituent Entity may be made.

3. To the extent permitted under applicable law, the Competent Authority of the Isle of Man will notify the Competent Authority of the British Virgin Islands immediately regarding any cases of non-compliance with paragraphs 1 and 2 of this Section, including any remedial actions, as well as any measures taken in respect of non-compliance with the above-mentioned paragraphs.

SECTION 6
Consultations

1. In case an adjustment of the taxable income of a Constituent Entity, as a result of further enquiries based on the data in the CbC Report, leads to undesirable economic outcomes, including if such cases arise for a specific business, both Competent Authorities shall consult each other and discuss with the aim of resolving the case.

2. If any difficulties in the implementation or interpretation of this Agreement arise, either Competent Authority may request consultations with the other Competent Authority to

develop appropriate measures to ensure that this Agreement is fulfilled. In particular, the Competent Authority of the Isle of Man shall consult with the Competent Authority of the British Virgin Islands before it determines that there is a systemic failure of the Competent Authority of the British Virgin Islands to exchange CbC Reports with the Isle of Man.

SECTION 7
Amendments

This Agreement may be amended by consensus by written agreement of the Competent Authorities. Unless otherwise agreed upon, such an amendment is effective on the first day of the month following the expiration of a period of one month after the date of the last signature of such written agreement.

SECTION 8
Term of Agreement

1. This Agreement will come into effect on the date of the notification provided by the Competent Authority of the British Virgin Islands that the British Virgin Islands has the necessary laws in place to require Reporting Entities to file a CbC Report.

2. A Competent Authority may temporarily suspend the exchange of information under this Agreement by giving notice in writing to the other Competent Authority that it has determined that there is or has been significant non-compliance by the other Competent Authority with this Agreement. Before making such a determination, the first-mentioned Competent Authority shall consult with the other Competent Authority. For the purposes of this paragraph, significant non-compliance means non-compliance with paragraphs 1 and 2 of Section 5 and paragraph 1 of Section 6 of this Agreement and the provisions of the TIEA referred to therein, as well as a failure by the Competent Authority to provide timely or adequate information as required under this Agreement. A suspension will have immediate effect and will last until the second-mentioned Competent Authority establishes in a manner acceptable to both Competent Authorities that there has been no significant non-compliance or that the second-mentioned Competent Authority has adopted relevant measures that address the significant non-compliance.

3. Either Competent Authority may terminate this Agreement by giving notice of termination in writing to the other Competent Authority. Such termination will become effective on the first day of the month following the expiration of a period of 12 months after the date of the notice of termination. In the event of termination, all information previously received under this Agreement will remain confidential and subject to the terms of the TIEA.
